

Derma Life Spa Jet

Derma life Multi Sensory Spa System— bathes you in a wonderful mist of gorgeous aromas, vitamins and minerals. Stereo music fills your head and takes you to another world of luxury...

Purifying Sea Cleanse Body Treatment

This face and body treatment is the ultimate deep cleansing treatment designed to hydrate, rejuvenate and improve skins tone and texture. Helps reduce the appearance of fine lines and wrinkles. Sea System treatments deliver amino acids, minerals and trace elements, together with vitamins to create glowing and healthy-looking skin. Treatment includes a relaxation massage.

Choose from one of the following treatment (allow one hour):

Detoxifying	\$85.00
Hydrating	\$85.00
Exfoliating	\$85.00

Sea System is a collection of products that maximizes the powers of the sea for the ultimate in skin and body care. By embracing the knowledge of French and Japanese cultures, Sea System products are packed with the nutritious and rejuvenating properties of seaweed.

Derma Life Spa Session
